NMAM SCHOLARSHIP

FOR EMERGING ARTISTS & MAKERS

NMMCF Mission

To promote the multiple cultures within the state of New Mexico and to educate the public about these cultures.

About NMMCF

Started in 2001, the New Mexico Multi-Cultural Foundation (NMMCF) was established to champion the diversity, artistry, and history of our beloved state. Over the last 2 decades, we have worked to develop programs and events—like the New Mexico Artisan Market—that provide local creatives and larger organizations with opportunities to share their mission, talent, expertise, and personal stories.

NMMCF seeks to build cultural recognition, understanding, and love for the multiple cultures. Through our existence as a Foundation we want all people, throughout our state and beyond, to love the values that the unique cultures of New Mexico bring to the world. Through that love, we will preserve these values and our culture for generations to come.

About NMAM

The New Mexico Artisan Market (NMAM) was launched by the New Mexico Multi-Cultural Foundation and Heritage Hotels & Resorts, Inc. in 2018 to expand and strengthen the creative economy of New Mexico by supporting and promoting our local creative talent.

NMAM is a three-day shopping experience that honors our state's tradition of the community marketplace by providing a high-quality event that brings together Artisans and art lovers. Each market event highlights over 100 local Artisans and Artisanal Makers who are exceptional in their creative fields. Artisans are considered and juried into the event from a large variety of contemporary and traditional styles and media that complement the existing markets in our state. Some of the entry categories include Jewelry, Clothing/Fashion, Ceramics/Pottery, Furniture, Metal Works, Painting, Photography, and more.
